Make You & Your Home Fit for Aging In Place
Presented by Kris Parrish, Certified Occupational Therapist

Kris will talk about how to prioritize safety modifications and offer recommendations to get your home so you can age in place. Home modifications, along with strength and balance training with a physical therapist, play a multidisciplinary role to improve function and safety in your home. Kris will discuss an assessment program including follow up and training on equipment. (Note: the assessment and training program require a physician referral or current enrollment in an occupational therapy program.)

Please register by Wednesday, June 16, 2021. You may register online at www.foreverdublin.com/event, by email foreverdublinhub@syntero.org, or call us at 614.889.5722 ext 810 and leave a message. We will email details for this Zoom event to you the day before the presentation.
